DECISION

KIN/152169

PRELIMINARY RECITALS

Pursuant to a petition filed September 18, 2013, under Wis. Stat. § 48.57(3m)(f), and Wis. Admin. Code § DCF 58.08(2)(b), to review a decision by the Professional Services Group - PSG in regard to Kinship Care, a hearing was held on October 08, 2013, at Milwaukee, Wisconsin.

The issue for determination is whether the agency correctly discontinued Kinship Care benefits for Petitioner's grandchildren.

There appeared at that time and place the following persons:

FINDINGS OF FACT

1. Petitioner is a resident of Milwaukee County.
2. Petitioner is the paternal grandmother of [REDACTED] (DOB 9/28/03), [REDACTED] (DOB 4/11/05) and [REDACTED] (DOB 12/23/06).

3. Petitioner has been a recipient of Kinship Care benefits for three children noted at Finding # 2 and eligibility was subject to review in August 2013. The children have all lived with Petitioner since birth.
4. The agency concluded that Petitioner was not eligible for continued Kinship Care for these children concluding that the placement is voluntary; they could reside with their mother or father. Neither parent has a stable residence but there is no noted AODA or CPS history. There is regular contact with the father who does have overnight visits in Petitioner's home. Contact is less frequent with the children's mother but is not barred in any way. Both parents each have one other child who is not in their care.
5. Petitioner does not have a guardianship in place for the three children.

DISCUSSION

The Kinship Care benefit is a public assistance payment of \$220 per month per child paid to a qualified relative who bears no legal responsibility to support the child. In Wisconsin, this benefit replaces the former Non-Legally Responsible Relative (NLRR) Aid to Families with Dependent Children (AFDC) payment. To be eligible for the payments, the relative must meet all of the conditions set forth in *Wis. Stat. §§ 48.57(3m)(am)(1-5) or 48.57(3n)(am)(1-6)*. Subsection (3m) concerns Children in Need of Protection or Services (CHIPS) and subsection (3n) concerns guardianship cases.

For a guardianship based Kinship Care application under statutory subsection (3n) the Wisconsin Administrative Code further requires that the Kinship Care applicant provide proof that they have been named as guardian under *§48.977, Stats.; Wis. Admin. Code, §DCF, 58.15*. In this case there is no guardianship so I cannot find that Petitioner is eligible to receive Kinship under guardianship provisions.

This decision must still decide whether Petitioner's case meets CHIPS based Kinship Care eligibility criteria. The Statutes require that:

...A county department and, in a county having a population of 500,000 or more, the department shall make payments in the amount of \$215 per month to a Kinship Care relative who is providing care and maintenance for a child if all of the following conditions are met:

1. The Kinship Care relative applies to the county department or department for payments under this subsection and the county department or department determines that there is a need for the child to be placed with the Kinship Care relative and that the placement with the Kinship Care relative is in the best interests of the child.
 2. The county department or department determines that the child meets one or more of the criteria specified in s. 48.13 or 938.13, that the child would be at risk of meeting one or more of those criteria if the child were to remain in his or her home or, if the child is 18 years of age or over, that the child would meet or be at risk of meeting one or more of those criteria as specified in this subdivision if the child were under 18 years of age.
- §48.57(3m)(a)2(am), Wis. Stats.*

The *Wisconsin Administrative Code*, at *§DCF 58.10(1)*, describes the "need" for placement as follows:

- (a) The child needs the kinship living arrangement. The agency shall determine that the child needs the kinship living arrangement by determining at least one of the following:
 1. The child's need for adequate food, shelter and clothing can be better met with the relative than with the child's parent or parents.

2. The child's need to be free from physical, sexual or emotional injury, neglect or exploitation can be better met with the relative than with the child's parent or parents.
3. The child's need to develop physically, mentally and emotionally to his or her potential can be better met with the relative than with the child's parent or parents.
4. The child's need for a safe or permanent family can be better met with the relative than with the child's parent or parents.

It must also be noted that, in Decision No. KIN-40/51985, dated May 22, 2002, the Department's deputy secretary concluded that even when the assessor finds that one of the four grounds cited above are met, there still must be evidence that there is a risk to the child cited in *Wis. Stat. §48.13* if the child were to live with a parent. Essentially that decision ties together the first two conditions cited in *Wis. Stat. §48.57(3m)(am)*, that there be a need for the placement and that the child be at risk of harm that could lead to a Child In Need of Protection or Services (CHIPS) case. It also confirms that at least one of the criteria in the list at *Wis. Stat. §48.13* must be satisfied.

Chapter 938 of the Statutes deals with juvenile justice issues and juveniles involved in delinquencies who also need protection or services; Chapter 48 is entitled 'Children's Code' and is the relevant chapter for this case. The statutory citation referenced above – *Wis. Stat. §48.13*, which provides for jurisdiction over children alleged to be in need of protection or services – is relevant here and provides as follows:

The court has exclusive original jurisdiction over a child alleged to be in need of protection or services which can be ordered by the court, and:

- (1) Who is without a parent or guardian;
- (2) Who has been abandoned;
- (2m) Whose parent has relinquished custody of the child under s. 48.195 (1);
- (3) Who has been the victim of abuse, as defined in s. 48.02 (1)(a), (b), (c), (d), (e) or (f), including injury that is self-inflicted or inflicted by another;
- (3m) Who is at substantial risk of becoming the victim of abuse, as defined in s. 48.02 (1)(a), (b), (c), (d), (e) or (f), including injury that is self-inflicted or inflicted by another, based on reliable and credible information that another child in the home has been the victim of such abuse;
- (4) Whose parent or guardian signs the petition requesting jurisdiction under this subsection and is unable or needs assistance to care for or provide necessary special treatment or care for the child;
- (5) Who has been placed for care or adoption in violation of law;
- (8) Who is receiving inadequate care during the period of time a parent is missing, incarcerated, hospitalized or institutionalized;
- (9) Who is at least age 12, signs the petition requesting jurisdiction under this subsection and is in need of special treatment or care which the parent, guardian or legal custodian is unwilling, neglecting, unable or needs assistance to provide;
- (10) Whose parent, guardian or legal custodian neglects, refuses or is unable for reasons other than poverty to provide necessary care, food, clothing, medical or dental care or shelter so as to seriously endanger the physical health of the child;
- (10m) Whose parent, guardian or legal custodian is at substantial risk of neglecting, refusing or being unable for reasons other than poverty to provide necessary care, food, clothing, medical or dental care or shelter so as to endanger seriously the physical health of the child, based on reliable

and credible information that the child's parent, guardian or legal custodian has neglected, refused or been unable for reasons other than poverty to provide necessary care, food, clothing, medical or dental care or shelter so as to endanger seriously the physical health of another child in the home;

(11) Who is suffering emotional damage for which the parent, guardian or legal custodian has neglected, refused or been unable and is neglecting, refusing or unable, for reasons other than poverty, to obtain necessary treatment or to take necessary steps to ameliorate the symptoms;

(11m) Who is suffering from an alcohol and other drug abuse impairment, exhibited to a severe degree, for which the parent, guardian or legal custodian is neglecting, refusing or unable to provide treatment; or

(13) Who has not been immunized as required by s. 252.04 and not exempted under s. 252.04 (3).

§48.13, *Wis. Stats.*

In a nutshell, the placement must be in the best interests of the child and there must be need for the placement as demonstrated by evidence of the child being a CHIPS or JIPS child or the likelihood that the child would be such if living with a parent.

I am sustaining the agency discontinuance of Petitioner's Kinship Care benefits. While both parents each have another child and they do not have those children in their care either, there is no child protective services history, no criminal history, no evidence of alcohol or drug abuse and no evidence of mental illness has been noted. Rather, it seems that the parents are rather immature and irresponsible. Nonetheless, they both have a relationship with the children involved here. The father sees them in Petitioner's home regularly. The mother sees them less frequently. It is noteworthy that Petitioner had arranged for the children to stay with their mother overnight at some point prior to the review. The arrangement fell through because of the mother's housing but not because of concern for the safety of the children in their mother's care. In short, the evidence does not indicate that these children meet the standards necessary to be children in need of protection or services.

CONCLUSIONS OF LAW

The agency correctly discontinued Petitioner's Kinship Care as the available evidence is not sufficient to indicate that the children for whom she receives the Kinship Care benefit meet the standards necessary for that benefit.

THEREFORE, it is

ORDERED

That this appeal is dismissed.
